ACTION TAKEN REPORT ON FEEDBACK 2020-21

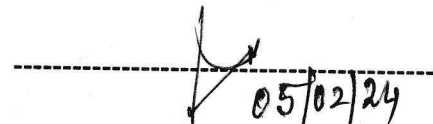

The following actions were initiated on the basis of the feedback received from all stake holders:

1. The teachers' feedback was segregated and forwarded to individual departments for necessary actions.
2. To enable students carry out their academic activities during the ongoing lockdown, teachers were instructed to make use of digital platforms and more ICT oriented tools for online classes.
3. Different departments were advised to upload study materials for the benefit of students in college website or student WhatsApp groups.
4. It was decided to conduct orientation programmes to update teachers in matters of using the digital platform effectively.
5. Students were encouraged to participate in online classes.
