7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Feedback mechanism :
Students give the feedback about the teachers at the end of each session/semester.
Students of each department are expected to do so for all the teachers concerned with their class.
- Computerization of Administrative Block:
The college has done away with the orthodox system of working in the office. The College administrative block has been fully computerized. The administrative staff has been given formal training to understand the technicalities pertaining to working on the technology.
- Computerization of Library :
The college has made the library fully computerized. The library is having its OPAC system.
The students are having their web browsing space in the library. The total working in the library is now on the computers.
- Academic Innovations:
The institution has introduced many new innovative practices to help the students in their pursuit of attaining quality education. The college has introduced remedial Classes for the students. This has helped them to improve their learning abilities. The teachers introduced the skill of drafting question banks. These questions are framed on the basis of the questions being framed in the last examinations. This has helped ease the burden of the students and improve the pass percentage.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- The college administration proposed the implementation of online admission to bring transparency and avoid any malpractice. The college implemented the programme.
