

YEARLY STATUS REPORT - 2020-2021

Part A

Data of the Institution

1.Name of the Institution	Ananda Chandra College
• Name of the Head of the institution	Dr Debashis Das
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	03561255554
• Mobile No:	8116244253
• Registered e-mail	accjal@gmail.com
• Alternate e-mail	accjaliqac@gmail.com
• Address	Collegepara, P.O. & Dist - Jalpaiguri, PIN 735101, W.B., India
• City/Town	Jalpaiguri
• State/UT	West Bengal
• Pin Code	735101
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education
• Location	Urban

- Financial Status **UGC 2f and 12(B)**
- Name of the Affiliating University **University of North Bengal**
- Name of the IQAC Coordinator **Dr. Tanmay Datta**
- Phone No. **03561255554**
- Alternate phone No.
- Mobile **7001321550**
- IQAC e-mail address **accjaliqac@gmail.com**
- Alternate e-mail address **accjal@gmail.com**

3. Website address (Web link of the AQAR (Previous Academic Year))

<https://acollege.in/new/download/aqar-2019-20/?wpdmdl=3575&refresh=65da8cefa94601708821743>

4. Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

<https://acollege.in/new/download/2020-2021/?wpdmdl=2592&refresh=65c9d273f404f1707725427>

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	81.55	2004	16/09/2004	15/09/2009
Cycle 2	B++	2.88	2016	05/11/2016	04/11/2021

6. Date of Establishment of IQAC

01/01/2014

7. Provide the list of funds by Central / State Government

UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Nil	Nil	Nil	Nil	0

8. Whether composition of IQAC as per latest NAAC guidelines

Yes

- Upload latest notification of formation of

[View File](#)

IQAC

9.No. of IQAC meetings held during the year 4

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**
- If No, please upload the minutes of the meeting(s) and Action Taken Report No File Uploaded

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? No

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

With the sudden outbreak of Covid-19 that necessitated an immediate shutdown of Colleges, IQAC rose to the occasion by hosting a seven-day long International webinar as part of the faculty induction programme "Covid-19 and its impact in India". Professors from various parts of India, and also from Bangladesh and Indonesia, discussed a wide range of topics and also demonstrated in the form of hands-on training in the use of libraries and ICT as part of Online teaching during the lockdown.

To address the pertinent gender issue which was most problematized by the pandemic, the Dept. of English hosted an international webinar in collaboration with Malda Women's College, titled 'Unmasking Gender in the times of Covid-19' on 17.09.2020.

An Interdisciplinary Online Lecture was organized by Dept. of English (09/05/21) catering to the academic interests of Sanskrit and Indic Languages.

An online library orientation programme was conducted for students and faculty by the librarian, Central Library on 29.04.2021.

International Web Conference was held on 07/08/2020 by Deptt. Of Zoology in collaboration with Faculty of Science, Tufanganj Mahavidyalaya on the topic "Climate Change and Human Health".

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Speedy updating of pending AQARs for online submission.	Preparation is in progress
To carry out all the routine academic activities online till the college reopens.	All classes were taken via Google Meet, Google platform and through YouTube lectures
Organization of student-centric seminars/webinars (both National & International)	Such Webinars were conducted, both centrally and departmentally.
Organizing Library orientation programme for students and faculty members.	An online library orientation programme was conducted by the librarian, Central Library on 29.04.2021
Organizing interdisciplinary webinars	An Interdisciplinary Online Lecture was organized by Dept. of English (09/05/21) catering to the academic interests of Sanskrit and Indic Languages.
New Subscription of e-resources and e-journals	Initiated

13. Whether the AQAR was placed before statutory body? Yes

- Name of the statutory body

Name	Date of meeting(s)
Governing Body, Ananda Chandra College	29/09/2023

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2020-21	07/03/2022
15. Multidisciplinary / interdisciplinary	
The institution for the session 2020-2021 has been following the Choice based credit Semester system (CBCS) and this full-fledged	

shift from the three years undergraduate system has been phenomenal in the transformation of teaching-learning approach of the institution from discipline-centric to multidisciplinary model; and so it can be said that the institution has begun the transformation even if not as a part of curriculum wholly, but as a value and a practice. As examples of best practice under this section few elementary multidisciplinary practices can be put. The faculty members of the various departments have collaborated formally and informally in the dissemination of knowledges that demand multidisciplinary approach; as for instance, the teaching-learning of the section on Indian Classical Literature in the CC III paper of English Core Program was modelled through an interaction between the faculty members of English department and Sanskrit department. The Department of English organized an interdisciplinary special lecture titled "From Sabdavrutti to Cittavrutti: Experiencing Rasa in reading/acting Abhijnanasakuntalam" on Natyashashtra, as part of the CC3 paper, which was delivered by Ph.D Scholar from the School of Sanskrit and Indic Studies, Ravi Kant. The lecture was co-ordinated by Prof.Samik Dasgupta (Asst. Professor, Department of English) on 9th May, 2021. The institution also offers credit-based course in environmental education for all students. An interdisciplinary International Webinar on Gender Bias and Stereotyping and the need for Gender Sensitization, titled 'Unmasking Gender- in the times of Covid-19' was jointly organized by the Department of English, Ananda Chandra College in collaboration with the Department of English, Malda Women's College, on 17th September, 2020 convened by Prof. Asima Sarker(Asst. Professor, Department of English). The webinar discussed gender from the perspective of roles and challenges of Paraguayan female musicians, 'sisterhood' from third world feminist perspective and the Pandemic and gendered space. These practices are in line with the proposal of NEP 2020 which introduces a holistic and multidisciplinary curriculum aimed at providing superior education.

The institution further is committed in transforming itself into a multidisciplinary institution in line with the NEP 2020 as and when the affiliated university officially decides on its implementation. As our institution is an affiliated college, the course-structure and the content for academic teaching-learning is designed by the affiliating university as per UGC guidelines.

16.Academic bank of credits (ABC):

As a college affiliated to the University of North Bengal, the institution follows the curriculum stipulated by the University. The current Choice based credit Semester system (CBCS) does not have the flexibility to permit the learners to avail the benefit of multiple entries and exits during the chosen programme and hence the College is not registered under Academic Bank of Credits. However, the students have a provision to continue studies and carry on to next semester in spite of a backlog. Also, student can migrate from one college to another college during the course of study with the permission of the affiliating university.

17.Skill development:

The NEP has laid the emphasis on the skill development that may help the students to get placement opportunities in the future. The institution acknowledges the benefit of upskilling in the present competitive society and organizes various workshops for the same. On 29th April, 2021 an "Online Library Orientation Programme" was organized by the Central Library to educate the students about the various online academic resources and platforms and the students were encouraged through hands-on learning to continue advanced learning in spite of the constrictions of lockdown. Through the various Skill Enhancement Courses under the CBCS system, the students are trained in soft skills and technical skills necessary for various professions. As for instance, the faculties of Geography Department train the students in Remote Sensing as a part of the curriculum of the SEC paper on Remote Sensing and Geographical Information System, in real time mapping under the Core Course, Surveying and Levelling. These basic skill developments prepare the students to work as Research Assistant, apprentice and employee in private and semi-government sector companies, and also in reputed institutes like NRS agency, NATMO etc. The institution in the upcoming sessions intends to organize collaborative skill development programmes, vocational trainings and add-on courses.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college being situated in Jalpaiguri with a Bengali speaking majority, for teaching - learning and communication, both Bengali and English is used. Many of the students are from rural areas and had Bengali as their medium of instruction, and therefore prefer it for better understanding. The teachers are fluent in both languages and a bilingual mode is adopted in most of the classes, except English. Even in the online mode of teaching,

faculty took extra care to ensure that the contents delivered were understood by the students. Students are allowed to write both internal and university examinations in Bengali or English according to their preference. The faculties also design their own curricular approaches within the approved framework, and suggest and provide reading materials in Bengali. The faculties of English Department also provide the students with vernacular reading materials as and when necessary to facilitate better grasping of the content taught.

The Department of Sanskrit as an initiative to preserve and promote the Indian language, Sanskrit, teaches students basic translations into Sanskrit from Bengali. The Department also encourages students to upskill their linguistic skills by enrolling into the free courses provided by Samskrita Bharati, a non-profit organization that work for the preservation Sanskrit language.

The students, as a part of the curriculum, have to learn Bengali or Hindi as Modern Indian Language, during the under graduate course.

The institution imbibes the cultural diversity of India through celebrating cultural and traditional festivals and days. Students participate in cultural events organised by the institution which creates awareness of the diversity of our culture. The days of national importance are celebrated in order to reawaken their innate pride in the rich cultural heritage of our country.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The overall eco-system of the institution is aimed towards providing OBE to the students.The faculties in their teaching-learning-evaluation methodology engages in student-centric practices like open book evaluation, project-based learning, field-study, experiential learning, group discussion etc.to ensure proper outcome of a course to facilitates enrichment of students' knowledge. The adopted teaching methodology aims at proper integration of theoretical and practical aspects of learnings.

20.Distance education/online education:

The college is a Study Centre of the N.S.O.U. and Burdwan University. So, many of the faculties are exposed to the distance education methodologies.

The college has been conducting regular classroom teaching employing ICT enabled tools for the last few years. The year 2020-21 forced the academic community to shift to online mode of teaching-learning due to the COVID-19 pandemic. In the academic year 2020-2021, classes were conducted through online mode and ICT tools were used. Teachers created interesting, well-designed and engaging classroom activities. Assignments were submitted through Google Classrooms which made the entire evaluation and recording process hassle free. Along with live sessions, recorded lectures were given and students were encouraged to listen to the lectures uploaded in e-PG Pathshala.

Extended Profile

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>The college follows the curriculum set by the affiliated University. The faculty are involved closely with university as Board of Studies for framing the curriculum.</p> <p>Our College provides a successful delivery of the prescribed</p>	

curriculum through organised and well documented procedures. This year because of the pandemic the conventional physical classes were not feasible. The college had made an organised mechanism to produce effective delivery of the truncated syllabus provided by the parent university.

The Departments were asked to prepare the monthly lesson plans/academic reports for the session. The stakeholders were notified about the academic plan through college website.

The Faculties adopted online platforms like google meet, zoom, google classrooms and more to deliver lectures. Students were provided regularly with the handouts/notes. The continuous evaluation was conducted via assignments and open book test.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Institutional Quality Assurance Cell (IQAC) meticulously crafts the academic calendar in accordance with the guidelines set forth by the affiliating University. Following this, the IQAC fosters seamless collaboration with departments and functional administrative bodies through regular meetings to ensure effective coordination. The resulting academic schedule is promptly disseminated via the college website to keep students informed. Departments are instructed to strictly adhere to this schedule and tailor the curriculum accordingly. Each educator autonomously schedules and administers their own internal evaluations, aligning them with meticulously reviewed and approved lesson plans from departmental meetings. With the onset of the lockdown extension, evaluation processes for the session seamlessly transitioned to online standard operating procedures. Examination questions were conveniently accessible to students through the college website or WhatsApp. Furthermore, the collection of assignments and internal assessment answer sheets was efficiently managed through platforms such as Google Classroom and Google Forms.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

The university's curriculum is designed to provide students with a comprehensive and enriching educational experience, focusing on cross-cutting topics such as Gender Studies, Humanity, Professional Ethics, Environment, and Sustainability. This holistic approach ensures that students gain a well-rounded understanding of these crucial subjects.

Departments such as Sociology, Bengali, English, Geography, Chemistry, and Zoology play pivotal roles in integrating these topics into different semesters of the prescribed curriculum. Each department contributes unique perspectives and insights, enriching students' understanding of the interconnectedness of these themes.

For instance, Sociology delves into issues of gender equality and societal norms, while Geography explores environmental dynamics and sustainability practices. English and Bengali literature offer insights into the human experience and cultural diversity, fostering empathy and understanding among students. Chemistry and Zoology provide scientific perspectives on environmental challenges and the importance of biodiversity conservation.

Moreover, the university ensures that students develop a strong foundation in environmental science through compulsory courses like AECC-1, which focuses on environmental awareness and sustainability principles. Additionally, extracurricular activities such as NSS (National Service Scheme) and NCC (National Cadet Corps) organize plantation programs and other initiatives to promote environmental stewardship among students.

By integrating these diverse disciplines and practical initiatives, the university equips students with the knowledge, skills, and values necessary to address pressing global challenges and contribute positively to society. This holistic approach fosters critical thinking, ethical decision-making, and a deep sense of responsibility towards the environment and humanity

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

In Ananda Chandra College, we actively evaluate the students and categorized them as slow-learners and advanced learners according to their marks and percentage. In the odd and even semester of 2020-2021 academic sessions, the slow-learners in each department were identified on the basis of internal marks. The cut-off marks for identifying the slow learners were decided by the respective departments.

The students, who were identified as slow learners were handled carefully by following ways:

1. Doubt-clearing classes were arranged which seemed to be the weak points of the students.
2. Interactive sessions (such as organization of quiz, teaching-learning by role-play) involving the students were arranged
3. Mentors (teachers) of the students regularly kept eye on the attendance of slow-learners. If there was absenteeism for more than a week, the student was personally contacted over the phone.

The students who scored high in internal exams, and had exceptional ability to learn beyond their same-age peers, were identified as advanced learners. They were encouraged to do the followings:

1. To attend the advanced classes in a particular topic.
2. To take flip-classes in front of other classmates.
3. To learn other courses (such as NPTEL courses).

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The Institution focused on student centric teaching learning and modern teaching aids like the use of ICT enabled techniques and various online teaching apps like Google classrooms, Google meet etc. to make teaching learning process progressive.

To encourage experiential learning, participative learning and participation in problem solving methodologies in online mode,

1. Students were given Online assignments and projects to do
2. Students made power point presentations on topics of their syllabus as part of their internal assessment.
3. Problems were given to the students, from the area of their study and are asked to solve them in groups, using online study materials. Peer Group Study, peer teaching, seminars, group discussion were also organised.

Upload any additional information	No File Uploaded
Link for additional information	NA

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

During Covid time, classes were conducted through online mode and full use of the available ICT tools has been made.

- Teachers created interesting, well designed and engaging classroom activities.

- Every department created separate whatsapp groups for each semester and the teachers kept in touch with the students through these groups.
- Along with live sessions in google meet and Zoom, recorded lectures were given through departmental whatsapp groups and you tube channels.
- The practicals and lab sessions were conducted on virtual platforms which to an extent compensated for the students' absence in classrooms.
- Study materials and internal question papers were sent through the whatsapp groups. The question papers were also made available to the students through college website.
- Assignments and answerscripts of internal examinations were submitted by the students through Google Classrooms or through emails which made the entire evaluation and recording process hassle free.
- In order to familiarize the students with the changing scenario, orientation programmes were conducted by some departments.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Ananda Chandra College has carefully devised a continuous assessment program wherein the students are constantly evaluated to ensure their competence in their academics. The students are given proper awareness regarding internal assessment at the time of their induction and initial orientation programmes itself. The schedules of internal assessment components such as test papers, seminars, assignments, and viva voce etc. are also made known to the students in advance and also displayed in Academic calendar. The college prospectus and the website provide them with an elaborate description about the evaluation process. The departments are assigned the responsibility for the evaluation of various components of the assessment process. Each semester, internal tests, assignments, seminars are conducted and feedback is given to each student after identifying their drawbacks and strong points. Re-tests are conducted for the benefit of weak students and students who require remedial teaching are identified based on their scores. Towards the end of each semester, students are marked out of ten based on their overall performance in the mentioned assessment system. All the activities for students are developed after keeping in mind the difficulty levels for slow, average and active learners. Though flexibility is not allowed by the University on the components, the college makes sure that the entire process is done in a transparent manner so that all students get an equal and fair chance of performance.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Grievances related to the internal examination are addressed by the Grievance Cell formed for this purpose. The Grievance cell is comprised of the Principal and some faculty members. During Covid-19 pandemic, the students reported their concerns regarding the transparency of the marking system if any through e-mail and the members of the cell communicate the problems to the department concerned. A rectification is made after receiving the complaints. In those rare cases wherein, a common ground cannot be reached, retests are conducted to give the students an opportunity to improve their score and the evaluation of the same is done by the Head of the Department. In the case of absentees or those with low marks, an opportunity is provided to appear for a retest. The application for retest should be submitted by the students stating the reason for being absent. The application should be signed by the parent/ guardian and countersigned by class teacher / Head of the department. Thus, with systematic planning and feedback system, the institution ensures transparent, time bound and efficient mechanism to solve the grievances related to internal examination.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Programme and course outcomes for all Programmes offered by the institution are stated and displayed on College website and communicated to teachers and students department wise. We follow the Program Outcomes (POs) defined by the affiliating university (North Bengal University) and are to be fulfilled by all the

programs in higher education. The Course outcomes are also disseminated to students through faculty announcements during the beginning of each semester and from time to time during the entire semester. The teachers adopt teaching methods so as to enable the course outcome envisaged by the affiliating University. Through different methods like internal examinations, assignments, competitions and other activities at college level and department level, the achievement of Programme outcome and course outcome is ensured and assessed with defined benchmarks.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and are communicated to the students. After measuring attainment of Programme outcomes, Programme specific outcomes and course outcomes, it is observed that the strength of the students as well as pass percentage are increasing progressively. Besides, students' progression to higher studies is on increase, consistently and rapidly in the recent years. The level of attainment of Programme outcomes, Programme specific outcomes and course outcomes were measured via formal as well as informal mechanism for the measurement of the outcomes. The feedbacks from all the stakeholders were taken and necessary steps were adopted. Subsequently, the College took care of the attainment to measure the Programme outcomes, Programme specific outcomes and course outcomes and implemented the mechanism as follows: -

1. The institution followed the Academic Calendar of our affiliated university.
2. All the subject teachers maintained an Academic Diary every academic year.
3. All the subject teachers prepared Semester-Wise evaluation Reports.

4. Each department analyzed the evaluation reports of results.

5. Institution considered Feedback from the Stakeholders for the attainment of Programme outcomes, Programme specific outcomes and course outcomes.

6. Academic committee reviewed the Students' Progression to Higher Studies and their Placement.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Extension activities are carried out by the students of Department of Mathematics, A. C. College for their holistic development, during the year 2020-21

The session 2020-21 started with the Covid-19 pandemic situations. The Government of India announced a Nationwide Complete lock down from 24th March 2020 and it was continued for near about two months and then partial lock down was continued. The imposition of lockdown to prevent a rise in Covid-19 infections has had a substantial impact on the country's economy, health. As such, restriction of physical activities and social isolation due to the lockdown is more of a factor in the mental and physical health of children during this crisis specially for orphans. In this crisis period Students of 5th Semester from Department of Mathematics visited Korok Children Home in Racecourse Para,

Jalpaiguri on 25th January, 2021. They spent some time with the children of the home following Covid19 protocol and tried to encourage and enlighten them and distributed pencil, paper and some dry foods among the children.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The policy of the institution for creation and enhancement of infrastructure to facilitate effective teaching and learning process.

Classrooms: There are around 49 class rooms apart from the departmental rooms, seminar rooms, libraries and Science laboratories and computer laboratories for practical classes. Each classroom can accommodate approximately about 40-90 students. The big classrooms are well ventilated, with lots of sunlight, ideal for a crowded classroom. Few classrooms have audio facilities.

Central Computer Laboratory: There is a well-designed modern central computer laboratory with advanced audio-visual & multi-media facilities like LCD projector, overhead projector etc.

Central Library: The college library utilizes a space of 6948 sq. ft. with a reading room for free access of students and teachers

All the Departments have been provided with computers & internet connections.

Laboratories: There are nine laboratories for subjects - Physics, Chemistry, Mathematics, Computer Science, Botany, Zoology,

Physiology, Microbiology and Geography. The laboratories and upgraded with advanced laboratory equipments and have given enough space to carry out practical classes effectively.

Animal House: There is no animal house in the college.

Auditorium: The Seminar Hall is used as an auditorium at present.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

- The college is committed to offering resourceful infrastructure for holistic growth of students. It provides adequate facilities for cultural activities, indoor and outdoor sports as well as other student and faculty support amenities.

- Ananda Chandra College is well known for its sports activities. Students take part in Inter-college, District, State and National Level competitions for different events. The College does have a big play ground of its own where our students can practice football and cricket.

- The Boys' Common Room equipped for Indoor Games like Table Tennis and Carrom.

- Girls' Common Room equipped for Indoor Games like Carom

- There is a well equipped Gymnasium in the college which the students use regularly.

- The Seminar Hall: The accommodation which is unique of its kind with a stage for cultural activities and an accommodation for 320 people.

- Yoga and fitness workshops are organized by the NSS Unit of the college in the Common Rooms, Gymnasium and in the playground.

• The length of the Gymnasium is 40 meter and the width is 20 meter. The total space of the Gymnasium is 800 square meters.

To accommodate a larger number of audience and spectators, there is an open air theater in the ground overlooking the main building.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The Institution has IT facilities including Wi-Fi and sufficient number of computers with required peripherals. The facility available facilitates ICT enabled teaching-learning process and evaluation, research activities, and administration.

The Computer Science department has system software and application software's, both licensed and open source software's. The teachers used ICT tools including computers, projectors, white boards and other ICT tools.

Google classroom and Zoom were used to conduct online lectures, share resources and conduct internal exams and assignments. Teachers also used Power-point presentations, lecture recordings and Audio/video aids. Google Forms were used for taking feedback, research-based activities, maintaining attendance etc. All webinars have been conducted through ICT.

The Wi-Fi facility is available in all academic and administration corners like classrooms, staffrooms, library, office and also with

computers that are being used for other facilities.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision and mission of Ananda Chandra College is to successfully perform its role as a catalyst in the growth and dissemination of knowledge in shaping the path of development of the human race. It has been diligently executing this vision and mission in the remote areas of North Bengal, since the pre-Independence period. This time period witnessed the harmful effects of COVID-19 pandemic on the education system. As per government directives, education was completely conducted online. Ananda Chandra College lived up to its vision, by slashing the fees for the students of the college, in this time period.

File Description	Documents
Paste link for additional information	NA
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Only by participative management of all these decentralized levels of administration, we are able to responsibly mould the careers of students year after year. One such instance is the administration of student hostels. The student hostels form an integral part of Ananda Chandra College, as a substantial part of the student population doesn't hail from the main town of Jalpaiguri. This key apparatus of the institution is run in a completely decentralized manner, by two Hostel Superintendents and matrons (for the Girls' Hostel, appointed on a contractual basis). While the aforementioned people look after the day-to-day conduct of the hostels, they also regularly hold meetings with the Hostel committee, which is convened by the Bursar. The Hostel committee works in tandem with the Building Sub-committee, Purchase Committee and Anti-Ragging Committee for the harmonious conduct of the hostels. This is an instance of the effective leadership visible in Ananda Chandra College.

File Description	Documents
Paste link for additional information	NA
Upload any additional information	No File Uploaded

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional perspective plan is the design that unites the diverse energies of this college and successfully executes every challenge thrown up during each semester. During the academic year 2020-2021, the big challenge facing us was the conducting of online classes and evaluations, during the pandemic-induced nationwide lockdowns. We achieved this through year-round activities. First, there was a Seven Days International Workshop on Covid-19 and Its Impact in India, held between 21st to 27th July 2020, organized jointly by the IQAC of Ananda Chandra College and Chandidas Mahavidyalaya Birbhum. Here teachers got hands-on training in conducting online classes. Later, during the time of end semester examinations, the Academic Subcommittee (convened by Dr. Prosad Roy) drew up the framework for assignment-based examinations and the Examination Subcommittee (convened by Dr. Bipul Chandra Sarkar), executed the framework successfully. In all these processes, the contribution of the entire teaching and non-teaching staff was carefully allotted and judiciously supervised.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The institutional bodies that implement the vision underlying education policies, appointment and service rules is described as the organogram of the institution. The organogram of the institution comprises of the Governing Body at the top and then a set of institutional bodies- Finance Committee, Teachers' Council, Purchase Committee, Building Sub-committee, Hostel Committee, Anti-ragging Committee Library Committee and the Ministerial Staff. The Governing Body comprises of a President (Government Appointment), the Principal who serves as the Secretary of the GB, 2 Government nominees, 2 North Bengal university Nominees, 1 Higher Education Council Nominee, 3 Teachers' Representatives and 1 member of the Non-teaching Staff. The Teachers' Council is the only statutory body of teachers in this institution. Its work is further distributed amongst the following: Academic, Admission, Examination Centre, Cultural, Magazine, Routine, Games & Sports, and Tabulation Sub-committees. The Finance Committee is the advisory body on all financial decisions of the college and is headed by the Bursar, a Teachers' representative. The Purchase Committee comprises of the Principal, the Bursar, the Secretary of the Teachers' Council and the Governing Body representatives of the Teaching and Non-teaching staff. It conducts all purchases according to the Government Purchase Policy. The Building Committee has the Governing Body Representatives of the Teaching and Non-teaching staff and an Engineer. The Anti-ragging Committee comprises of 5 members of the Teaching staff and 2 members of the Non-teaching staff. All the committees are headed by the honourable Principal, excluding the Governing Body.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Any educational institution functions even better when it promotes the welfare of its people, over and above the visions of an education policy. To achieve the goal of a healthy mind in a healthy body, the National Social Service unit of the College organised Dental and Ophthalmological Testing Camps for the Teaching and Non-teaching Staff. It also planted trees all over the campus, to improve the environment of the campus. The college also has a medical officer, who is consulted from time to time, regarding the well-being of the institution. Puja Advance is given ex-gratia to the casual staff of the College. Along with this, the Ananda Chandra College Cooperative Credit Society provides financial help to all staff members, in substantive posts.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

No funds given to the college directly for construction of new buildings. The North Bengal Development Department is building the upcoming Science Block for the College. The Governing Body decides upon allocation of laboratory development and field survey grants (including contingency grants) to different departments of the college. Since this was the first year of COVID 19 lockdowns, the chief strategy for optimal utilization of resources was limiting expenditure made in the following areas-

1. Building and Construction
2. Library and Laboratory
3. Research Activities
4. Scholarship

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

In the academic year 2020-2021, the Internal Quality Assurance Cell has successfully shifted the platform for hosting departmental seminars and workshops from the offline to the online mode. Many departmental webinars have been successfully conducted, under the aegis of the IQAC, monthly. Apart from this academically vivifying practice, the IQAC has regularly executed the task of

Documentation and Archiving of all Departments' initiatives, Students' Achievements and Professional Development of Teaching and Non-Teaching staff.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC has come up with a balanced feedback form, for the performance appraisal of the Teaching staff, through multiple meetings over the teaching-learning process, structures and methodologies of operations as well as learning outcomes. These feedback forms were filled by the outgoing batch of 2021 and the information duly preserved by the IQAC. The IQAC then shared the results of these anonymous feedback forms with the respective departments, who in turn held meetings with all concerned faculty members to review the teaching-learning processes. One of the major achievements of 2020-2021, was the IQAC of AC College, jointly organising a workshop with Chandidas Mahavidyalaya, Birbhum to initiative the teaching staff in the usage of the Google Classroom and Google Meet facility. This ensured that teachers could continue taking their classes in an uninterrupted fashion, even during the lockdown time.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college seeks to provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional,

linguistic, communal socioeconomic and other diversities. Commemorative days like Women's day, International mother language day are observed in the college. These are done with the aim of promoting the ideas of unity and harmony amidst diversity in our society and in our country.

The college has teaching and non teaching staff from different parts of the state, belonging to different communities. They work together unitedly reflecting unity in diversity. During Covid 19 pandemic, the teachers voluntarily decided to donate a day's salary to Chief minister's relief fund to support those in need.

Through NSS and NCC, the students receive practical training of working in and for the community. During the pandemic students from NSS participated in Covid Awareness Campaign, Corona Relief distribution Programme etc. Dr. Sudip Chakraborty, a faculty of the Department of Economics started a voluntary school for under privileged children. The students from the department of Mathematics visited Korok Children Home in Race Course para. Through these outreach programmes the students gain an idea of the socioeconomic state of the areas surrounding the institution. The value of working towards the common good of the society is inculcated through various activities. The college offers Free/Half Free Studentship' on grounds of merit and means.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Ananda Chandra College celebrates Republic Day and Independence Day with hoisting of National flag and singing of National Anthem. The teachers address the students about the importance of these days, highlighting the importance of Indian Constitution and the values, rights and duties as a citizen of our country. The NCC cadets take an active part in observance of the Independence Day and Republic Day. Sensitization of students of the Institution to the constitutional obligations is done through curriculum as well. All students take a compulsory course on Environment Studies which gives them insight into environment acts, wildlife protection act,

forest act, global environmental concerns etc.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Ananda Chandra College promotes social cohesion by organizing events and festivals on campus, aiming to enhance students' understanding of their significance. The college is dedicated to commemorate both national and international occasions throughout the year. However, during the 2020-2021 academic year, the pandemic and subsequent lockdown prevented physical gatherings for a significant portion of the year. Despite these challenges, the following events were observed :

- On the eve of the COVID-19 pandemic, our college observed Independence Day on 15th August 2020 at 9 am by hoisting the National Flag in the College building.
- 159th Swami Vivekananda's birthday on 12th January 2021 at 11 am.
- Netaji Subhas Chandra Bose's 125th birthday was celebrated on 23rd January 2021 at 11 am.
- The college observed the 72nd Republic Day on 26th January 2021 at 8:30 am by hoisting the National Flag on our college building.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

A) Online Teaching and Learning

1) Sustaining teaching-learning process amid COVID-19 pandemic.

2) The onset of the Covid-19 pandemic led to disruptions in traditional face-to-face education.

3) a) Using platforms like WhatsApp, Youtube, SWAYAM, e-PGPathshala and Google Classroom for lecture.

b) Using Google Classroom, Google Forms, Gmail for evaluation.

4) a) Attendance of the students in spite of various impediments was noteworthy

b) Time-bound restriction in student-teacher interaction vanished.

5) a) Lack of personal connections between students and instructors.

b) Unavailability of required devices or stable internet connection amongst students from underprivileged section.

B) Social work initiatives during Covid-19 Pandemic

1) Providing immediate needs to people affected by pandemic.

2) COVID-19 pandemic exacerbated existing socio-economic disparities, disproportionately impacting vulnerable communities.

3) a) Contribution of a day's salary towards the Chief Minister's relief fund.

b) NSS volunteer teachers and students active role in relief work.

c) Forming an open-air school for underprivileged individuals.

4) a) The communities were benefitted by this practice.

b) The open-air school had helped in keeping intact the interest towards education and teaching-learning in the underprivileged section living near the river Teesta.

5) a) Resource constraints.

b) Problems with means of transportation due to pandemic.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Amidst the unprecedented COVID-19 pandemic, we swiftly

transitioned to online modes of teaching and learning, showcasing our commitment to the continuity of education. Embracing technology, both teachers and students seamlessly navigated virtual classrooms, ensuring that the pursuit of knowledge remained uninterrupted. Even examinations were conducted online, which is a testament to our resilience and readiness to confront adversity head-on. Distinguishing ourselves as pioneers, we are one of the only institutions in the region offering mass communication as a subject. Moreover, our curriculum encompasses an array of specialized courses such as microbiology, physical education, and physiology, setting us apart from neighboring colleges.

Our institution has a formidable team of 130 faculty members, dedicated to nurturing the minds of our students and fostering a culture of learning and growth. Our commitment to academic excellence is underscored by our track record of outstanding performances, reflecting the dedication and diligence of our students and faculty alike.

In essence, our college focuses both on innovation and convention in the shaping of the future leaders of the nation, while staying true to our roots, heritage and culture.
