## Jalpaiguri

3.4.3 : Number of extension and outreach programs conducted by the institution through organized forums

**2018-19**

**List of Extension and Outreach Programmes by NSS/NCC/Departments**

	Name of the Programme	Conducted by	Date
1	Campus cleaning drive - A part of Swachh bharat Abhiyan	NSS Unit II	07.01.2019 to 10.01.2019 & 04.02.2019 to 06.02.2019
2	Special camp at Karala Valley Tea Garden	NSS Unit I and II	16.02.19 to 22.02.19

## Campus Cleaning drive

**Date:** 07.01.2019 to 10.01.2019 & 04.02.2019 to 06.02.2019

**Organised by:** NSS

**Programme Details:** The NSS Unit II Volunteers took initiative to clean the college premises in two phases starting from 07.01.2019. They did this work after completing their normal class hours in college. NSS Unit-II planted trees in college in 2015, but the garden area was filled with jungle. The NSS volunteers took active role to clean the tree bases and uprooted the weeds.

**Outcome:** The programme helped the students to learn the importance of keeping their surroundings clean.

**Number of students participated - 25**

## Special Camp at Karala Valley Tea Garden

**Date:** 16.02.2019 to 22.02.2019

**Organised by :** NSS

**Programme Details:** Karala Valley Tea Garden was selected as the site of NSS Special Camp. This tea garden is located Mohitnagar, beside the Karala river, two kilometers away from our college. The green scenic beauty of the garden is very attractive. For the purpose of the different activities for 7 continuous days, the Karala Valley Tea Garden Primary School was selected. Health Check-up camp, Health awareness camp, literacy drive, Cultural programmes were organized in the camp. The programme was inaugurated on 16.02.2019 by Dr.Abdur Razzaque, Principal of our College.

**Outcome:** The tea garden labourers are very poor but simple in mind. The camp immensely benefitted the people there, particularly by the Health check-up and Health awareness camp.

**Number of students participated-** 40

**Special Camp at Karala Valley Tea Garden by NSS**

## 2019-20

### List of Extension and Outreach Programmes by NSS/NCC/Departments

	Name of the Programme	Conducted by	Date
1	Tree Plantation Programme	NSS	02.08.2019 to 04.08.2019
2	Blood Donation Programme	NSS Unit II & Students' Union , A.C.College	28.08.2019
3	Book Distribution Programme to Underprivileged children	Udbhas-A students' Group of A.C.College during 2019-20	26.09.2019
3	Outreach Programme dedicated to Needy Elderly People	Udbhas-A students' Group of A.C.College during 2019-20	12.01.2020
4	Special Camp at Karala Valley Tea Garden	NSS	16.02.2020 to 22.02.2020
5	Covid Awareness Campaign	NSS Unit-II	April and May, 2020
6	Corona Relief distribution Programme	NSS	11.04.2020 onwards

## Tree Plantation Programme

**Date:** 02.08.2019 to 04.08.2019

**Organised by:** NSS

**Programme Details:** On the auspicious occasion of Aranya Saptaha, it was decided that the NSS wing of the college will plant saplings in the college campus. An area of approximately 150 feet by 80 feet was identified in front of Boys' Hostel for plantation. The volunteers prepared the soil, collected manure for preparation of land. Saplings were collected from the Bodaganj Beat Nursery and Aranya Bhavan of Jalpaiguri. Dr. Tanmay Datta, Mr. Ershad Ali and Mr. Milanmoy Roy made arrangement for collection of these saplings. Nearly 200 saplings were planted including Indian Sal. Many enthusiastic teachers were actively engaged in plantation programme. Most of the volunteers are very much energetic to engage themselves in this activity. Besides plantation programme, the volunteers also nurtured the old garden just opposite to the new plantation site which was planted by NSS Unit-II in 2014. The weeds were plucked out and additional branches of the trees are dissected so that the trees could grow normally.

**Outcome:** Tree plantings provide an opportunity for community involvement and empowerment that improves the quality of life in the neighbourhood. The Programme significantly increases the greenery of the college campus. By planting saplings and cleaning the garden the students have learnt the responsibility by caring for the plants.

**No. of students participated: 16**

**Tree plantation Programme by NSS**

# Blood Donation Programme

**Date:** 28.08.2019

**Organised by:** Students' Union and NSS

**Programme Details:** The Students' Union of Ananda Chandra College and NSS Unit II organized a blood donation camp on 28.08.2019 in Room Number 14. The NSS Unit-II volunteers actively participated in the blood donation camp.

**Outcome:** Millions of people need blood transfusions each year. Some may need blood during surgery. Others depend on it after an accident or because they have a disease that requires certain groups of blood. Organising this kind of programme instills values and a sense of responsibility into the students towards the society.

**Number of students participated-** 65

**Blood Donation Camp at A.C.College by Students' Union and NSS**

# Book Distribution Programme to Underprivileged children

Date: 26.09.2019

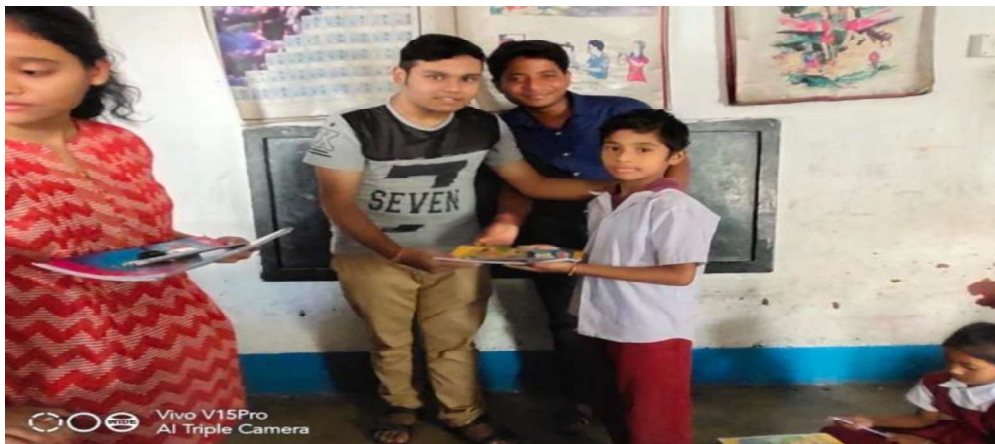

Organised by: Udbhas - A Students' Group of Ananda Chandra College during 2019-20

**Programme Details :** Few students of Ananda Chandra College initiated an outreach programme in society service besides their regular activities. Fourteen students of different departments of the College, distributed some books to the students of Kharibechipara RR Primary School, located at Senpara, Jalpaiguri. **They organized this generous project on the Birth Anniversary of Pandit Vidyasagar, that was on 26<sup>th</sup> September, 2019.** The Purpose of the programme was to help some poor, meritorious children to advance their studies. Students of Ananda Chandra College donated books to foster a love for reading, supported educational development and bridge resource gaps. By sharing knowledge and promoting literacy, they empower young learners and contribute bright academic future.

Mostly commendable of this activity was, most of the students who, inspite of themselves not belonging to any wealthy family, initiated the programme. They collected funds on monthly basis; demonstrating their dedication to the activity.

**Outcome:** They organized the programme successfully. The programme aimed at enriching the students' reading habits and empowering them with knowledge. Besides this, students of Ananda Chandra College spent a day differently among the younger students.

**No. of students participated: 14**

Visit to Kharibechi Para RR Primary School by Udbhas – students' group of A.C.College

## Outreach Programme dedicated to Needy Elderly People

**Date:** 12.01. 2020

**Location:** Teesta River belt, Jalpaiguri

**Organised by:** Udbhas - A Students' Group of Ananda Chandra College during 2019-20

**Programme Details :** Ananda Chandra College witnessed a heartening outreach programme by students of various department on 12<sup>th</sup> January 2020. On the birth anniversary of swami Vivekananda, fourteen dedicated students of Ananda Chandra College, provided essential support to few needy senior citizens of Jalpaiguri District. These helpless senior citizens have been living at the river belt of Teesta. Students distributed blankets and food packets to elderly citizens, extending warmth sustenance during the harsh winter. Primary focus of the programme was to provide support to the elderly citizens of the area during harsh winter month. Students distributed blankets to senior citizens, ensuring they stayed warm during the winter months. Additionally they distributed food packets among the community members.

Most commendable of this activity was that most of the students who initiated the programme did not belong to wealthy family . They collected funds on monthly basis, demonstrating their dedication to the activity. They were motivated by the great thinker of our country, Swami Vivekananda.

**Outcome :** The students organized the programme successfully. They were able to bring some relief and joy to those elderly persons. Moreover, they spent a day serving the society in a different way.

**No. of students participated: 14**

**Outreach Programme dedicated to needy elderly people in Teesta River belt by Udbhas – students' group of A.C.College**

## **Special Camp at Karala Valley Tea Garden**

**Date: 16.02.2020 to 22.02.2020**

**Organised by: NSS**

**Programme details:** 7 days' NSS Special camp for 2019-2020 sessions was held in our adopted village Karala Valley Tea Garden from 16.02.2020 onwards. The volunteers surveyed the area by scheduled questionnaire to know the socio-economic conditions of the people living in the garden those who are mainly tea garden workers. Health awareness camp was organized. Food-grains and first-aid medicines, clothes were distributed among the poor villagers. The camp was inaugurated by Dr. Md. Abdur Razzaque, Principal of our college.

**Outcome:** The students became aware of the socio- economic condition of people living in the neighbourhood. This awareness would inculcate a feeling of social responsibility among them and foster a spirit of empathy. The poor villagers got some respite from the overwhelming health and livelihood crisis.

**Number of students participated- 42**

*Photograph series: 6 [2019-20]- Special camp*

**Special Camp at Karala Valley Tea Garden by NSS**

## COVID awareness campaign

**Time:** In the month of April and May, 2020

**Organised by:** NSS

**Programme details:** The NSS Volunteers of Unit-II undertook different activities to spread awareness of the severity of deadly Corona virus. They made Posters, Banners and festoons, handbills for safeguard of Corona. The volunteers shared different slogans against corona situations in social media platforms by writing following slogans: *"Close your doors but keep your heart open"*, *"Better to wear a mask than a ventilator"*, *"Stay Home, Raise Hope"*, *"We Will Recover Together"*. To make social distancing a norm and using of masks- the volunteers made aware the local people mainly in Dooars areas and tribal dominated tea gardens belts of Nagrakata, Mal, Matiali blocks of Jalpaiguri district. Masks and sanitizers were distributed among the people.

**Outcome:** The campaign made a lot of people particularly those who were living in the remote areas and mostly out of media coverage, aware of the severity of the disease and the precautions needed to be taken. Also, the students learnt their responsibility at the time of any national crisis.

**Number of students participated-** 15

COVID Awareness Campaign by NSS

**COVID Awareness Campaign by NSS**

## **Corona Relief distribution Programme**

**Time: 11.04.2020 onwards**

**Organised by: NSS**

**Programme Details:** Our NSS volunteers contributed to form a fund to help the needy people of the locality. We made an appeal to the established ex-students to donate in that fund. NSS bank account was shared among the willing people known to us. Consequently, about Rs. 30,000/- were deposited in the fund. By this amount we formed 4 camps in different places of the district to help the poor people. Beneficiaries were listed from the four sites. The four such sites are: (1) Netaji Para, Residential house of NSS Programme Officer of Unit-II, organized by Milanmoy Roy, Sanjay Barman and Rahul Roy (2) Garalbari headed by Ershad Ali and local NSS volunteers, (3) Pandapara Kalibari headed by Anuj Pratim Dey (Ex-student), (4) Khattimari, Dhupguri headed by Abhishek Barman Pramanik. From these camps food items were distributed. Subsequently, Sagar Prosad, a volunteer of the NSS Unit-II approached the BDO, Nagrakata to help him to spread awareness among the tea garden people and planned to distribute food items among the needy people. He worked hard for overall awareness of these simple illiterate people. The BDO of Nagrakata helped him providing car, logistic support etc free of cost. He, along with 3 of his fellow volunteers did substantial jobs there. It is important to mention that the expenses of the relief works during corona lockdown period were totally met by the donations from volunteers, not from the govt. sanctioned NSS fund.

**Outcome:** The imposition of a complete lockdown by the Indian government in March 2020 to prevent a rise in COVID-19 infections has had a substantial impact on the country's economy and health. The scenario was more acute than the national average in Dooars region. The tribal dominated tea gardens in Jalpaiguri, the marginalized group of agricultural labourers and the migratory labourers of Jalpaiguri district suffered significantly. Apart from individual initiatives by teaching and non teaching members of the college, the college through NSS conducted this relief programme which immensely benefitted the affected people. Nearly 150 households benefitted from these camps. With this relief distribution programme, the students learnt their responsibility at the time of any national crisis.

**Number of students participated - 75**

Corona Relief distribution Programme by NSS

## 2020-21

### List of Extension and Outreach Programmes by NSS/NCC/Departments

	Name of the Programme	Conducted by	Date
1.	Tree Plantation Programme -Banomahatsov	NSS Unit-II	15.07.2020 to 20.07.2020
2.	Visit to Korok Children Home for Boys, Jalpaiguri	Department of Mathematics, A.C.College	25.01.2021
3.	Special Camp at Karala Valley Tea Garden	NSS	10.03.2021 to 16.03.2021

## Tree plantation Programme - ' Banamahatsava'

**Date:** 15.07.2020 to 20.07.2020

**Organised by:** NSS

**Programme details:** The plantation programme and celebration of 'Banamahatsava' were organized by the unit from 15.07.2020 to 20.07.2020. In this programme, saplings of important trees like Mahogini, Eucalyptus, Akshamoni were planted. The stout fencing was erected in all sides so that animal rearing may be restricted.

**Outcome:** Tree plantings provide an opportunity for community involvement and empowerment that improves the quality of life in the neighbourhood. The Programme significantly increases the greenery of the college campus. By planting saplings and cleaning the garden the students have learnt the responsibility of caring for plants.

**Number of students participated - 15**

**Tree Planatation Programme by NSS**

## Visit to Korok Children Home for Boys, Jalpaiguri

**Date:** 25.01.2021

**Organised by:** Department of Mathematics, Ananda Chandra College

**Programme details:** Restriction of physical activities and social isolation due to the Covid-19 lockdown had adversely affected the mental and physical health of children. In this crisis period Students of 5th Semester from Department of Mathematics visited Korok Children Home for Boys in Race course Para, Jalpaiguri on 25th January, 2021. Korok Home, Jalpaiguri is a Govt led Juvenile home for children (boys under 18 years of age) who are in conflict with law and society. The students spent some time with the children of the home following Covid-19 protocol and tried to encourage and enlighten them. The main purpose of the visit was to distribute copies and pens to the children which was a simple gesture but held immense significance to these children.

**Outcome:** Witnessing the excitement on the faces of the children as they received these gifts was truly gratifying. It was a reminder of the power of education to transform lives and provide hope for a brighter future. Spending time with the children was eye-opening for our students. It was touching to see how the children of the Korok Home embraced life with such positivity and resilience, despite their circumstances.

**Number of students participated- 18**

**Visit to Korok Children Home for Boys by students of Mathematics Department**

(Taking photos with the children of the Home is prohibited as it is a correctional home for the children below 18 years who are in conflict with law and society)

## **Special Camp at Karala Valley Tea Garden**

**Date: 10.03.2021-16.03.2021**

**Organised by: NSS**

**Programme details:** Seven days' NSS Special Camp of Unit-II of Ananda Chandra College, Jalpaiguri held at our adopted village Karala Valley Tea Garden, Mohitnagar Jalpaiguri, started on 10.03.2021. A general health check-up camp, Corona awareness campaign, and relief distribution among the needy people were done in the adopted village. Karala Valley Tea Garden was the centre of all such activities. Volunteers of NSS Unit-I & II both were present in the camp.

**Outcome:** The programme enabled students to provide substantial help to the needy people of the village in the form of medical assistance. Students came to know of the stark poverty endured by the villagers and developed a sense of empathy and social responsibility. The camp was able to give some respite to the villagers from the stark health and livelihood crisis during Covid times.

**Number of students participated- 54**

# Blood Donation Camp

**Date: 19.08.2021**

**Organised by: NSS and NCC**

**Programme details:** As a part of the Azadi Ki Amrit Mahotsav of the Union Government of India on the eve of 75 years of Indian Independence, NSS & NCC jointly arranged a blood donation camp at Room No.14 of our college. 35 volunteers donated blood in this auspicious programme. **Blood Bank, District Sadar Hospital, Jalpaiguri rendered their technical help and the blood was deposited in the blood bank, District Hospital, Jalpaiguri.**

**Outcome:** Millions of people need blood transfusions each year. Some may need blood during surgery. Others depend on it after an accident or because they have a disease that requires certain groups of blood. Organising this kind of programme instills values and sense of responsibilities into the students towards society.

**Number of students participated- 40**

**Blood donation camp at A.C.College by NCC and NSS**

## Special Camp at Karala Valley Tea garden

**Date:** 19.03.2022 to 25.03.2022

**Organised by:** NSS

**Programme details:** NSS Special camp was organized in our adopted village Karala Valley Tea Garden Primary School. The camp was started on 19<sup>th</sup> March and continued for 7 consecutive days. Different activities were conducted by the student volunteers: Free health check up programme for the villagers, health awareness scheme, Games and Sports for the students of the school, Yoga, Karate, cultural events (recitation, dance, and painting) for the school students etc.

**Outcome:** The students were able to provide much needed medical help to the residents of the adopted village. In addition, the seven day camp was also successful in fostering interest of the children in creative activities, games and sports. Also, the children were made aware of the importance of yoga for physical well-being.

**Number of students participated - 82**

## Awareness Programme on Some Common Medicinal plants

Date: 06/06/2022

Organised by: Department of Botany, A.C. College, Jalpaiguri

Venue: Tista Parer Bidyamandir, Jalpaiguri

**Programme details:** The programme aims to generate awareness among children about the importance of common plants growing in the surrounding environment and their importance as remedies for common diseases and ailments. 12 students of Department of Botany, A.C. College, Jalpaiguri accompanied by teachers Prof Suman Sen, Dr. Pushpanjali Ray and Smt Ankita Biswas visited Tista Parer Bidyamandir, a private no- Government Free school for children of nearby poor neighborhood in the outskirts of Jalpaiguri. The aim of the programme was to make the children aware of the beneficial properties of some common plants having medicinal as well as other therapeutic characters. Students carried photograph, live plant specimen and their own handmade placards. The medicinal properties of some very common plants from the neighborhood were discussed with the children. In the interactive session the students (of AC College) communicated with the children in easy and simple language which made the children feel comfortable and they also participated actively in the learning process.

### Outcome:

The Children learnt about the common beneficial plants which are easily available and may be used for a better livelihood and sustainable development.

## Cycle Rally for promoting fitness and environmental consciousness

**Date: 27.11.2022**

**Organised by: NCC**

**Programme details:** To promote fitness and environmental consciousness a cycle rally were organized by NCC. The rally was flagged off by Commanding Officer 61 Bengal Battalion NCC and Principal Ananda Chandra College. The aim of cycle rally was to bring together cadets to travel the city spreading awareness about the importance of sustainable transportation and a healthy lifestyle.

**Outcome:** The rally spread the message of using eco-friendly vehicles as well as the importance of keeping oneself healthy.

**Number of students participated: 22**

## Cycle Rally for promoting fitness and environmental consciousness

## Christmas Fest 2022

**Date: 23.12.2022**

**Organised by: Department of English, A.C.College**

**Programme details:** On the eve of Christmas 2022, the English Department organised a two-day long programme on 22nd and 23rd December, 2022 for the students of the department with the objectives of:

The event began on 22nd December at 6am with SECRET SANTA. Students under the guidance of Prof. Asima Sarker and Prof. Samik Dasgupta participated in the distribution of blankets and cakes to the economically deprived section of the society. They were taught to stay away from disclosing their identity so as to develop the virtue of humbleness in them. Old woolen garments were distributed from the college premises from 11am onwards.

**Outcome:** A number of needy people were benefitted by the programme as old woolen garments and blankets were distributed to them during winter. The programme helped the students to develop a sense of social responsibility by kindling the spirit of giving. It also helped to develop leadership quality and the necessary habit of working in groups.

**Number of students participated: 40**

**Christmas Fest- Distribution of blankets and clothes by English Department**

## **Voluntary Social Work for underprivileged children**

**Date: February and March, 2023**

**Organised by: Department of Education , A.C.College**

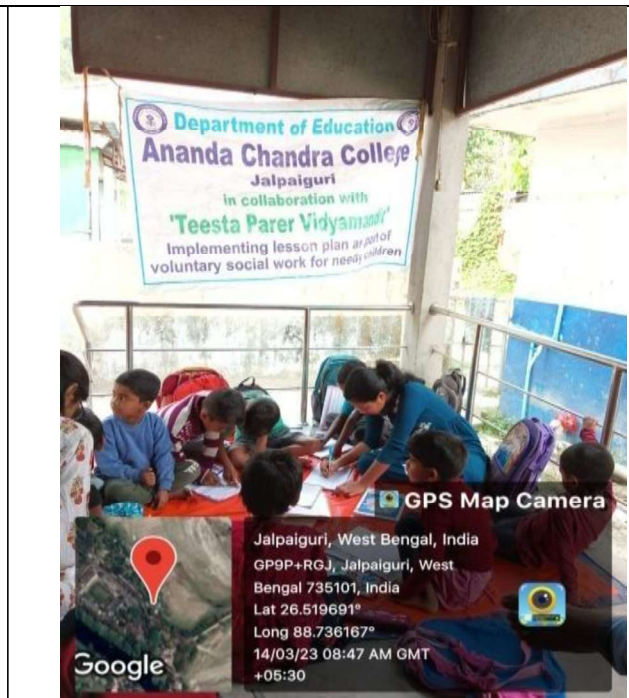

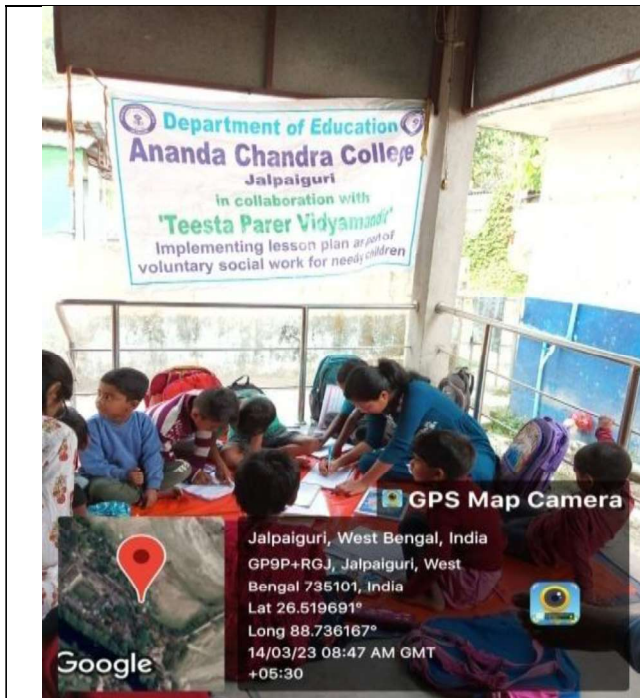

**Programme details:** During Covid period, one of our faculty members Dr. Sudip Chakraborty from Department of Economics, Ananda Chandra College with some of his students had started a voluntary free school for underprivileged children of Jalpaiguri residing in the bank of river Teesta so that in this situation they can continue their education. The school is named as 'Teesta Parer Vidyamandir'.

Department of Education extended their hands to make this effort successful. The students of Education department took special classes time to time during the year 2022-23 for these underprivileged children and also helped in organising sports for these children.

**Outcome:** The programme enabled students to share their knowledge with underprivileged children. They were able to bridge the gulf of age and socio-economic barriers and infuse some joyous moments in their lives by their lively interactions with the children in the form of games and sports.

**Number of students participated - 38**

Activities of Education Department for Underprivileged children in Jalpaiguri

## Blood Donation Camp

**Date:** 27.03.2023

**Organised by:** NSS

**Programme details:** A blood donation camp was organized by NSS unit on 27.03.2023 at Room no-A1 of AnandaChandra College. Several times, the health and family welfare department announces crisis of blood in the blood bank. Our volunteers were motivated to donate blood voluntarily. By response of the volunteers, students and teachers, the NSS unit arranged this blood donation camp. **The Blood Bank, District Sadar Hospital, Jalpaiguri rendered their technical and logistic supports to make the programme successful.** 55 students and teachers donated blood in this programme. 10 NCC cadets of our college donated blood.

**Outcome:** Millions of people need blood transfusions each year. Some may need blood during surgery. Others depend on it after an accident or because they have a disease that requires certain groups of blood. Organising this kind of programme instills values and sense of responsibilities into the students towards society.

**Number of students participated- 65**

**Blood Donation Camp by NSS**

## **Special Camp at Karala Valley Tea Garden by NSS**

**Date: 23.03.2023 to 28.03.2023**

**Organised by: NSS**

**Programme details:** NSS special camp was held in the month of March, 2023 at our adopted village Karala Valley Tea Garden, Mohitnagar, Jalpaiguri. The camp was inaugurated by Mr. Tapan Haldar, Headmaster of the Karala Valley TG Primary School. Several activities were made in the 7 days special camp. In the first day, volunteers did household survey in the households of the teagarden. By these processes, the volunteers came to know the practical socio-economic characters of the area and tried to share their views to solve some basic problems on health, hygiene etc. In the subsequent days different activities were made in the adopted village, such as games and sports, drawing for the school children, recitation etc. Our volunteers were actively engaged in such activities. We arranged free health check up camp in Karala Valley Tea Garden TG School. For this programme, we applied to the Principal of Jalpaiguri Govt. Medical College & Hospital for doctors', pharmacists', medicines and other logistic help. Dr. Sanjay Dhali, MD, Jalpaiguri Govt. Medical College & Hospital was present to consult the patients assembled in Karala Valley Tea Garden Primary School. Superintendent, Jalpaiguri Sadar Hospital deployed two house staffs, pharmacists on the specific day of our health check up camp in the garden. Pathological support was provided by an NGO deployed at the camp by the BMOH, Belakoba. Patients tested their blood samples, sugar, urine etc.

**Outcome:** The students not only made some contributions to providing medical assistance to the residents of the adopted village, but also made a successful attempt to involve and engage with the children in some joyous hours of games and sports and creative activities.

**Number of students participated-72**

**Special Camp at Karala Valley Tea Garden by NSS**

# Green Earth Happy Earth - An Awareness Programme on Tree Plantation

Date: 25/04/2023

Organized by: Department of Botany, A.C. College, Jalpaiguri

Venue: Pandapara junior basic school, Jalpaiguri

**Programme details:** The objective of the programme is to create awareness among children about the importance of plants in protecting the environment and how plantation can help protect the earth and nature. 15 students of Department of Botany, AC College, Jalpaiguri accompanied by teachers Prof Suman Sen, Dr. Pushpanjali Ray, Sri Krishnendu Majhi and Smt Ankita Biswas visited Pandapara junior basic school, a Government aided primary school for children of nearby poor neighborhood in the outskirts of Jalpaiguri. The aim of the program was to make the children aware of the importance of plants in protecting the environment. Students carried photograph, live plant specimen and their own handmade placards related to tree plantation. Some fruit bearing plant (guava), Flowering plants like Hibiscus (Joba), Ixora (Rangan) Medicinal plants like Tegetes (Ganda), Catharanthus (Nayantara), Andrographis (Kalmegh), Murraya (Curry pata) were planted in the school campus. The properties of these plants were communicated to the children in easy and simple language. The interactive session by the students of AC College made the children feel comfortable and they also participated actively in the learning process.

## Outcome:

The children learned about the common beneficial plants which are easily available and their importance in protecting the nature. Also each child took oath to plant at least one sapling in their surrounding neighborhood and take care of and help it to grow and make the Mother earth greener.

No. of students participated: 16
