How prepared were you for sudden switching over to online classes from offline classes? *

- Not prepared
- Moderately prepared
- Well prepared

Which platform did you use for online classes? *

- Zoom meet
- Google Meet
- Google Classroom
- Any other

Hurdles faced in delivering online classes *

- Lack of face to face interaction with students
- Inability to conduct practical classes, or field works, whichever is applicable
- Digital divide among urban & rural students
- Lack of faculty development training to suit the needs of online teaching.
- Any other

According to you what are the positive outcomes of online education?

One of the benefits of online education is that it offers a lot of flexibility, and with that, you will be able to learn at your own pace. Some students don't deal well with having a fixed studying schedule and would rather learn and listen to lectures when they feel most focused.

Did the institution arrange for library orientation for faculty and students? *

- Yes
- No

Did the institution provide timely updates regarding dates and modes of online university examinations? *
