Grievance Redressal Cell

The Grievance Redressal Cell was constituted to look into the grievances and complaints of Students, Faculty and other Stakeholders within the campus. The Cell attempts to address all types of genuine grievances and complaints and aims to solve the grievances impartially and confidentially within a reasonable period of time. Students, faculty and all the stakeholders are encouraged to use the Grievance Box/Suggestion box as well as 'Online Grievance' platform available in the College website to place their grievances and suggestions. With the help of this platform the students can report their grievances on both academic and non-academic matters. Comprising of senior faculty members of the College, the Committee invites suggestions from all stakeholders for improving the working environment and resolving issues, if any.
