Subject: Forwarding of Annual Purchase Requisition for the Department of Zoology (2026)

Respected Sir,

I am forwarding herewith the Annual Purchase Requisition for the Department of Zoology for the year 2026. The requisition has been prepared after careful assessment of the department's academic and laboratory requirements.

The items included in the requisition are essential for conducting practical classes, laboratory experiments, field studies, and other departmental activities during the academic year. I kindly request you to consider and approve the requisition so that the procurement process may be initiated at the earliest.

The detailed list of the required items is enclosed herewith for your kind perusal and necessary action.

Thank you for your consideration.

Yours faithfully,

Biswarup Bhawmick
