

## Celebration of International Women's Day

Organized by Women's Cell, Ananda Chandra College, Jalpaiguri

The Women's Cell of Ananda Chandra College, Jalpaiguri, celebrated International Women's Day on 8th March 2025 with great enthusiasm and spirit. The programme was inaugurated by our respected Principal, Dr. Debashish Das, whose inspiring words set the tone for the event.

Students participated actively and passionately through a vibrant array of performances including songs, dances, and recitations, all centered around themes of women's empowerment and the evolving condition of women in our society. Each performance reflected the spirit of resilience, strength, and hope that defines womanhood.

A special highlight of the programme was a thought-provoking skit presented by the NCC unit, focusing on the critical issue of child marriage. The powerful performance effectively conveyed the message of awareness and the urgent need for social change.

The programme concluded with a heartfelt tribute to the inspiring women of our nation who have paved the way in the fields of science, development, leadership, education, and beyond. It was a day filled with pride, reflection, and renewed commitment towards building a society rooted in gender equality and respect.
